INTRODUCTION
FIN 292 Legal and Social Environment explores business, government and interest-group interrelationships. Extensive examination of ethical considerations in business.

PRINT SOURCES
Books are important sources of basic information on a topic, providing necessary definitions, background information, and historical information. Books provide a foundation for research which can be supplemented by more current information from periodical articles. Books may also contain useful bibliographies which may lead to additional sources of research. When looking for books, use proper term(s) or subject term(s) under the Library Catalog: http://jaxcat.jsu.edu/vwebv/searchSubject
Featured subject term(s) for this course could be but not limited to:
- Torts
- Consumer protection law and legislation
- Commercial crimes
- Business law
- International business enterprises
- Antitrust law
- United States
- Actions and defenses
- Intellectual property infringement
- Dispute resolution (Law)
- Discrimination in employment
- Contracts
- Intellectual property infringement
- Discrimination in employment--Law and legislation--United States.
- Commercial law
- Business enterprises
- Business ethics
- United States
- Business enterprises--Law and legislation

Research Foundations Tutorial, which is designed to teach undergraduates fundamental research skills, covers the selection of appropriate information sources; effective searching of library databases and the Internet; and the location, evaluation and citation of information is available. JSU students can also use InterLibrary Loan Service. A list of computer labs on campus can be access here.

ELECTRONIC RESOURCES
The Library also provides numerous electronic resources such as electronic books and databases for remote access. The following related databases can be accessed at: http://libguides.jsu.edu/law/

<table>
<thead>
<tr>

</table>

“GEM Finder” (previously called “Discovery”) (http://www.jsu.edu/library/index.html) allows you to search across library multiple databases at the same time. Title (including article title), author, subject could all be searched under “keyword” search option. “How to find cases and other legal information in the Library: A step-by-step guide” can also be accessed here.
