INTRODUCTION
FIN 300 Business Law provides legal principles related to Uniform Commercial Code; contracts and personal property and bailments; the law of sales; commercial paper; and secured transactions.

PRINT SOURCES
Books are important sources of basic information on a topic, providing necessary definitions, background information, and historical information. Books provide a foundation for research which can be supplemented by more current information from periodical articles. Books may also contain useful bibliographies which may lead to additional sources of research. When looking for books, use proper term(s) or subject term(s) under the Library Catalog: http://jaxcat.jsu.edu/vwebv/searchSubject
Featured subject term(s) for this course could be but not limited to:

- Banking law
- Antitrust law
- Business ethics
- Real property
- Insurance law
- Internet law and legislation
- Contracts--United States
- Environmental law
- Labor laws and legislation
- Intellectual property
- Consumer protection--Law and legislation
- Uniform commercial code
- Corporate governance--Law and legislation
- Computer security law and legislation
- Privacy, Right of--United States
- Business ethics
- Environmental law
- Real property

- Environmental law
- Labor laws and legislation
- Intellectual property
- Consumer protection--Law and legislation
- Uniform commercial code
- Corporate governance--Law and legislation
- Computer security law and legislation
- Privacy, Right of--United States

Research Foundations Tutorial, which is designed to teach undergraduates fundamental research skills, covers the selection of appropriate information sources; effective searching of library databases and the Internet; and the location, evaluation and citation of information is available. JSU students can also use InterLibrary Loan Service. A list of computer labs on campus can be access here.

ELECTRONIC RESOURCES
The Library also provides numerous electronic resources such as electronic books and databases for remote access. The following related databases can be accessed at: http://libguides.jsu.edu/law/

<table>
<thead>
<tr>

“GEM Finder” (previously called “Discovery”) (http://www.jsu.edu/library/index.html) allows you to search across library multiple databases at the same time. Title (including article title), author, subject could all be searched under “keyword” search option. “How to find cases and other legal information in the Library: A step-by-step guide” can also be accessed here.
