INTRODUCTION
FCS 333 Family Clothing provides instruction on planning, selection, purchasing and care of family clothing.

PRINT SOURCES
Books are important sources of basic information on a topic, providing necessary definitions, background information, and historical information. Books provide a foundation for research which can be supplemented by more current information from periodical articles. Books may also contain useful bibliographies which may lead to additional sources of research. When looking for books, use proper term(s) or subject term(s) under the Library Catalog:
